

Participant Feedback of LA 27001:2013
Course conducted from 17th to 21st December 2016

- *Nishid & Ketan both are excellent. The level of knowledge they have and problem solving or relate things.*
- *Knowledge is very good to know the example of facing the audits. Good Experience.*
- *Making session very interactive, explanation based on scenario. Excellent and extend complete understanding of topic / terminology.*
- *Experts in the field. Good Quality training and expert training. Satisfied. Keep it up.*
- *I have learnt a lot on audit technique from tutors and I will implement in my work. Good Experience.*
- *Nishid and Ketan are very interactive, excellent domain knowledge. Overall everything is excellent and enjoyed for being a part of the training.*
- *Very good training provided by tutor. I would like to say thanks for all tutors and sharing knowledge with us.*
- *Knowledge is good. Deliver the lecture as per expectation. Nice training.*
- *Very impressive and influential trainers. Both of them could objectively resolve the queries and guide on the matter. Extremely satisfied with the service and look forward to doing other courses as well.*
- *Both the tutors were excellent on delivering and making us understand the basic to top facts. Satisfaction level is high as on personal level.*
- *Both the tutors were excellent during entire training in sharing knowledge and answering the questions. Deliverables were excellent and I would like to recommend it for my colleagues and my organisation.*
- *Tutors have thorough knowledge and skills to transfer the same to the delegates. Very good experience.*
- *Both are excellent knowledgeable tutors.*
- *Excellent course and both tutors explained very well.*
