

Participant Feedback of LA 27001:2013
Course conducted from 3rd to 7th May 2017

- Ketan has excellent knowledge about the course ISO 27001. Able to convey the entire knowledge to us. Good Performance. Excellent, good product knowledge achieved.
- Very interactive session. Got complete understanding of the subject. Overall course is very good.
- Changed the perspectives in good way for audit conduction. Very good knowledge. I would recommend ISOQAR for training purposes to my colleagues.
- Mr. Ketan is highly professional and with good industry practice.
- Extra efforts and detailed explanation. Satisfied with the course and teachings.
- The Trainer has good knowledge which helped in acquiring the knowledge easily. Overall I am satisfied with the training to gage knowledge of the standard.
- Lead Tutor performance was excellent.
- The Tutor was very discipline. Really loved it, hopefully will be doing many other standards for Quality most probably.
